1. For behold, I stand at the door and knock. For behold, I stand at the door and knock now upon hearts many, and doors, your door I knock, they knock, they knock, coming to Me for My words; coming to you for your words, coming to Me for My words that are yours that have come through you.

2. Behold, they stand at the door and knock, coming to you for My words; My words that are life, My words of freedom, words of constraint not, restraint not, restriction not, littleness and little-hood not; but yea, freedom; freedom that expresses the fonts, the formats, the fashion and form of Me, My DNA, My repleteness in My creation coming, coming, fashioning forth; formed by My hand; yea, the restoration of all things.

3. I love you and I give you Me and I thank you for beholding Me, beholding Me, beholding Me; seeing Me, beholding Me, feeling My words, feeling that which I have done, that which I am, that which you are; yea, in all things **becoming** who I am, what I have done, given in the fullness of Me, restricted not. I love you.

4. I grow, I glow and **I come for your words**; **I come for your words and I take them, I flash them, fire they are, ignite they do, form and re form**. Watch Me. I love you. Reformation of only Me; reforming Me. I love you.

5. That which aims to redirect My words, diminish My words, decrease the authority, power, effectiveness of My words, demolish, diminish, decrease the volume of My words; yea, has failed.

6. I come, I behold, I elevate; mics many; microphones of only Me carrying Me to the uttermost parts; yea, through My mics and no mics needed. Watch Me. Yes. I said it correctly, and I will say it again many times, multiple, manifold ways. Watch Me.

7. The same thing in My Mighty Many; watch Me, that which comes forth at the crack of dawn. My Many coming forth now for your words, My words, wanting more, wanting release, wanting My New Covenant, wanting the fount, the fount, the font, the format, the fashion and form of only Me; the fullness of Me released in them. Yea, anoint, forgive, restrict not, empower to fail, empower to graduate, empowered they are. I love you.

8. There is no hold on any of My words, no promises; the time is now, now, today, this moment; free, free men, free women, free children, free all are: I free, I fashion and I form Me in the dedicated, drink offering'd disciples who death have come. I love you. Fire baptized holiness of only Me, My fire, My words upon the altar, coals coming and going, distributed by only Me. My hearts who through death have come, tainted not, making of themselves no reputation, no provision for the flesh, propitiation made. I love

you. **My flesh, My body, My blood; yea, given for you, your body, your flesh, your blood given for Me.**

9. Men, and all around you, the point man goes after you, beside you, and in your wake, waking that which is of only Me in My Mine, so asleep so many. Waking the dead you are, the walking, working dead; the sleeping dead; the speaking dead; the dead who know they are dead; the dead who have no clue they are dead; the dead who have never experienced the life of My spirit, the freedom, form and fashion of My New Covenant; experience the bread, the blood be.

10. I love you; I give you Me. All is, all comes, all forms, double helix combinations of only Me. Watch Me, watch Me combine, format and fashion, combinations disappointing not. I love you. Power personified in the flesh that is now the spirit. Watch Me. My water, pure water; pure water, pure blood; one blood, refined in Mine. I love you.

11. Thank you for restricting not My words in form, fashion or volume nor ever copyrighting; copyright of only Me, and there is no copyright in Me. See what I have said and will say; I will say, I will say to My you who listen, you who wander, wonder, ponder, yea, pour over these words. Copyrights not of Me. My words are Mine, not yours. I love you.

12. Your choice to fool or fulfill, fashion and form of only Me, taking no thought for your life or what you will wear, or what you will say, what you will do, what you will become being Me in the flesh. Spiritualized flesh, it glows and grows, and goes back and forth not; but yea, operates now in the Kingdom of Heaven, the Kingdom of Heaven now upon the earth; yea, now today and is now, future not; My light cracking the dawn; cracking the fortunes and the fulfillment-thought of so many, so very many who on their knees now will cry out in anguish of soul; marrow being, having been for others, devourers of not-Me. Yea, deceived, being deceived and deceiving others. I love you.

13. So much freedom, so much freedom in My form, so much freedom in My fashion, so much freedom, liberty, constraints not, rules none, operating by My one command: Know Me, know My Father; know our love; know We are one and that “We” includes you: Trinity. I love you. My power forthcoming not, My power here, here and now is being spoken, forming fashioning and creating. The Mighty Many come forth, fire baptized, My flesh, My altar. I love you.

14. Think it not strange the "think it not strange." So many revising, reforming, adopting. So many who could have been Me, who are Me. I love you.

15. Distribution methods of Me and only Me. Yes, watch Me. Coming forth and now is; the time is now, the night is spent, all is at hand. **My light comes forth and creates havoc**, harlotry none, harvesting methods of only Me, My crops, My life, My light. My light working in the day of the light, the light; the light: Me.

16. Known light comes forth, My light pierces, proclaims; pierces, proclaims and creates. I love you; I give you Me.

17. Thank you for these hours, these moments, these minutes, these times. My life, My light, My words: meat of only Me.
18. The Mighty Many coming; at your door now is; receive and go with them. Proclaim My alias, beauty for ashes give; honor honoring My all. I love you. My Isaiah 61 fulfilled; Myself becoming. I love you. Isaiah proclaim, Ezekiel, Daniel, Jeremiah; yea, directionally not, uni-directionally, circumferentially and concurrently in the middle of; all comes forth. See Me.
19. All I have said this night, these moments in the wee hours, the wee hour makers of force of only Me coming forth; My fashion and form, form and fashion of only Me, Me being the greatest freedom man has ever known, no imagination ever grasping.
20. I grasp your hand, I touch you, I hold you, I embrace you; giving you all of My words, giver of My words, copyrighter not, copier not, origin of only Me. Yea, My species contentment not; yea, contentment of only Me, ever living to explore, to enjoy Me, My arms, My fashion, My form, My words, My light, My life, My water, My bread and blood be. I love you.
Good night.
